

**List of persons who are a participant in the work programme established under Article 89(1) of Regulation EU (No) 528/2012 and which shall be published by ECHA on 1 september 2013 in accordance with Article 95(2) of that Regulation**

**This list also includes persons who submitted applications for the inclusion of an active substance in Annex I, IA or IB to Directive 98/8/EC in accordance with Article 11 of that Directive as well as persons who submitted an application for product authorisation containing a dossier on the active substance satisfying the requirements set out in Annex IIA and, where specified, the relevant parts of Annex IIIA of that Directive.**

**Glossary of terms and symbols used.**

**Substance\*:** the asterisk indicates that the substance is a new active substance.

**Substance(\*):** the asterisk indicates that the substance is an existing active substance supported under the review programme, for which an application was received for an additional product type to the one(s) supported under the review programme.

**Participant:** a person having submitted an active substance dossier under the review programme for existing active substances.

**Dossier 98/8:** a person having submitted an active substance dossier outside the review programme (i.e. new active substance, new active substance/product-type combination, product authorisation).

**Data submitter:** a person responsible for facilitating the contact between the data owner(s) and the prospective applicant referred to in Article 62 of Regulation 528/2012.

**Substance supplier:** a manufacturer or importer of an active substance.

**Product supplier:** a manufacturer or importer of a biocidal product.

**These last two terms (substance supplier and product supplier) are defined in the Commission proposal to amend Regulation 528/2012.**
